

TURBO STUDIO GROUP RIDE COVID-19 SAFETY PLAN

- We have developed this COVID-19 Safety Plan to help create and maintain a safe environment for our riders.
- For each obligation we have broken down the requirements for Turbo Studio and the Audi Centre Sydney Turbo Studio Race Team and for riders joining Turbo Studio associates. This includes, but is not limited to Thursday training sessions, Big Day Out and Audi Centre Sydney rides.
- This Policy will be updated as regulations change, and will be modified if and when required.
- We ask that all you do your bit to help us comply and enable the resumption of bunch riding.
